

AGENDA

Wood River Water Collaborative Meeting
Date and Time: Wednesday, April 11th at 11 am
Location: The Nature Conservancy

Call in number: [1-866-385-9623](tel:1-866-385-9623) code: 832-399-3617

Introductions

Updates (15 min)

- Surface water forecasting
- Model run scenario subcommittee

Bureau of Reclamation Grant Opportunities – presentation by Leah Meeks (15 min)

Overview of Big Wood Basin and Projects (1 hour)

- Big Wood Irrigation System – Kevin
- Projects
 - Silver Creek / Hwy 93 (Pat McMahon, Mark)
 - Purdy/Gardener (Pat Purdy)
 - Aquifer recharge (Brett)
 - Hiawatha and Bypass canal headgates (Jim Phillips, Keri)
 - Camas Creek stream flow gauges (Rusty Kramer)
 - Brossy drip irrigation (Keri)
 - Irrigation District 45 projects (John Wright)

Discussion of Projects and Grant Funding (30 min)

- **BOR / NRCS partnership for agricultural water use efficiency projects**
- **Initial questions**
 1. Which of these projects fit into WaterSMART funding opportunities?
 2. How do we think about combining projects for applications (or not)?
 3. NEPA – how to plan for in project proposals? Do all projects require? Costs?
 4. Can prior work on the project site be included as match?

Project Tour – Sites TBD
